## CHOICE OF MEALS & DIETARY REQUIREMENTS

Dundee, Angus and Perth & Kinross Councils' Education Departments in partnership with Tayside Contracts offer a great choice of meals for primary pupils. The varied school lunch menu meets all the nutritional standards set by the Scottish Government.

**My child has a dietary requirement, can they have school lunches?**  
Adapted menus can be provided for children on medically prescribed diets to treat a specific condition, allergies or intolerances to any of the 14 main allergens. An adapted menu is based on the current school menu, excludes items to which a pupil is intolerant/allergic, and adapts recipes for menu options where possible. Please note that this does not mean we can provide specialist items specific to your child, we can only adapt the menu using products from our supply chain.

As there are no nuts, peanuts or sesame seeds in any dishes on the menu, Tayside Contracts does not provide adapted menus for nut, peanut or sesame seed allergies. All products with a 'may contain' declaration for nuts, peanuts and sesame seeds are highlighted on the menu with the appropriate icon and can be found in our may contain disclaimer on our website. Please refer to the Tayside Contracts website for access to our Nutrition & Allergen Gateway along with our recipe book so you can try some of our recipes at home.

**How do I make these arrangements for my child?**  
Adapted Menu Request Forms can be found on the Tayside Contracts School Catering web page:  
[www.taysidecontracts.co.uk/catering/school-catering](http://www.taysidecontracts.co.uk/catering/school-catering)

A copy of any medical confirmation from a health professional which details your child's allergens/intolerances, should be provided where possible.

## FREE SCHOOL MEAL ENTITLEMENT

Angus, Dundee and Perth and Kinross Councils are encouraging parents and carers with children in P6 or P7 to check if they are entitled to free school meals for their children. This is worth over £420 per annum!

A great choice of meals are available for primary pupils, offering healthier lunch options and the chance to spend time with their friends in a welcoming environment. Free school meal provision is confidential and school systems maintain the anonymity of children and families.

For more information on how to claim free school meals for pupils in primary 6-7, please see the links below:
