

Cycle to work, spring-style

Longer days, lighter evenings and a bit of sunshine make spring a great time to start riding again.

Whether you're changing up your commute or upgrading your current setup, save up to 42%* on bikes and safety accessories with **Cycle to Work** – and soak up the season from your saddle!

Visit your Vivup platform to get started

*Savings of up to 42% are for illustrative purposes only and assume a higher-rate band paid via salary sacrifice. Actual savings depend on individual circumstances. Eligibility criteria apply, including minimum earnings after reductions. Bike use must include commuting. UK residents, 18+, T&Cs apply.
